

Transportation Workshop:

Help us shape the future of transportation in your community!

Wednesday, September 16th
6:00 to 8:00 PM

City of Poughkeepsie Public Safety Building
505 Main Street, Poughkeepsie, NY

The Poughkeepsie-Dutchess County Transportation Council (PDCTC) invites you to attend a hands-on workshop to share your ideas about transportation needs and priorities in the **City and Town of Poughkeepsie**.

What local improvements should be priorities for funding?

How do you travel around your community?

What safety issues do you see on your local streets?

The Poughkeepsie-Dutchess County Transportation Council (PDCTC) is updating its county-wide, long-range transportation plan, *Moving Dutchess 2*. We are seeking the public's input on what transportation issues are most important to them. For more information about *Moving Dutchess 2*, see <http://dutchessny.gov/pdctc.htm> and click on "Metropolitan Transportation Plan (MTP)" and then "Moving Dutchess 2."
