Supervisor Joan A. Pagones stated that the reason for this meeting is to discuss a shared services proposal for four (4) communities. She then asked Attorney Ronald Blass to share his thoughts on the next motion.

Town of Fishkill Town Attorney, Ronald Blass, stated that the Boards are here this evening to consider whether or not to undertake discussions in closed session. With respect to this matter, there are significant issues involving attorney/client communication. In addition to that, this is a review of personnel matters to the extent that any CAP arrangements among three or four towns would force impacts on specific personnel. He recommended that the Boards jointly entertain a motion to go into private session for those reasons.
